The proposition to establish a camp quarantine for cabin passengers on Sandy

A vouth of sixteen soundered \$200 to than a rehearsal. The prize ring route is

The investigation of John I. DAVEN-PORT's election methods is about to begin. THE EVENING WORLD advocated course some months ago.

It is perhaps not too late to suggest that the Normannia should carry her cabin passengers back to Southampton. England does not quarantine.

If the Vermont straw shows which way the wind blows, then the wind is blowing both ways. Each side says it is an awful defeat for the other side.

The complaints of quarantined passennd insumeient food are a dreadful indictment against the steamship management which causes them.

country was once a bank clerk.

PRESIDENT McLEOD makes the astounding statement that the Coal Combine is Did he not fall before the scythe-bearer losing 25 cents a ton on coal, and brings fig. and John Barleycorn as well as before ures to substantiate his statement. He has JAMES J. CORDETT? This will be the rested by the official wheelmen. The East one Hundred and Twenty-sixth street. evidently been studying the mathematical general belief, while it does not detract Police floatd. calculations as employed by Messrs, one iots from the glory Connerr has PICK and PORTER.

We want to take the best possible care of the 500 cabin passengers who are unfortunately detained at Quarantine, but we also want to take the best possible care alarmed over the condition of the city of the five million people immeliately now that there is danger of a visitation of _ around the Quarantine limit, and fortu- cholers, and the people do right to de
